Lunar Eclipse 26th May

For natural cosmic phenomena, you don't get more remarkable or spectacular than a total lunar eclipse and this rare event will occur in the early evening of 26th May.

For a total lunar eclipse to occur, we need the Sun and Moon to be perfectly aligned in their orbits, with the Earth in the middle. As the Moon travels around the farside of the Earth, it passes directly into the shadow of the Earth.

To add to the magic of it all, the Moon turns a coppery-red during a total eclipse, earning it the nickname of 'Blood Moon'. As the Moon passes into the full shadow of the Earth, called the umbra, the Sun's light passes through the atmosphere of our planet and is scattered, losing most of the blue light. This means that the light that reaches the lunar surface is predominantly red in colour. This effect is known as Rayleigh scattering and also creates our sunsets.

Newdegate Football Club

Newdegate football club is seeking a cleaner for the upcoming 2021 season.

Approx. 5 hours per week, Paid Position.

Please contact Rosie Allen
0430 039 259 for further information.

Whodegate?

Liz Guelfi

Current Occupation?

Mum to two boys, Josh and Charlie

How would your friends describe you?

Smiley and hopefully caring and loyal

Where do you see yourself in five years?

On the farm here in Newdegate

Do you have a talent?

Too many to list!

Do you have a dream job?

Travel-show host, or maybe Daniel Riccardo's entourage

What was your first job?

CBH sampler

Do you have any pets?

A dog called Tess, 8 chooks and 6 guinea fowl

Do you have any hobbies?

Watching Netflix

Do you have a favourite book or author?

I'm not a big reader but I do like Rachael Treasure and of course Harry Potter

Who is your idol?

100% My Mum

Newdegate Winter Sports 2021

Netball— A Grade

Round 2—24th April *Newdegate def Boxwood*

We got thrown into a state of disarray this week with the covid lockdown coming in the Friday night before we were due to play Boxwood. With this we suddenly lost Shannon and Rob from the team due to NetballWA restrictions not allowing anyone who had been to Perth that past week to play indoors.

We were lucky enough to be able to call on Naomi, Liz, Stevie and Michelle from B Grade to fill in the gaps of our depleted team.

We controlled majority of the play throughout the whole game and with everyone playing really well we managed to come away with a big win.

Thanks so much to the B Grade girls for stepping up and helping us out its greatly appreciated.

Thanks also to Jazz for running the bench for me, it's such a huge help.

Best Player sponsored by Craythorne Ledger Accountants – Bek Dunkeld

Coaches Award sponsored by Newdegate Grocer and Café – Liz Guelfi

Round 3—1st May *Lake Grace/Pingrup def Newdegate*

We got thrown into shambles again this week when our umpire forgot about the game and didn't turn up. This meant we had to make a few sudden changes to our starting line up so Haylee could umpire the 1st ¼ until Trish could get ready to step in at ¼ time.

Thanks so much to Haylee and Trish for not even hesitating to step in and help out with this situation.

We settled into the game for the last 3 quarters and tried a few different positions throughout the rest of the game but unfortunately couldn't come back from being down in the 1st.

Thanks to all of the girls for the hard fought game and for sticking together through everything

Big thanks to Jazz and Marion for managing the bench for me . . Your help is always appreciated.

Best Player sponsored by Di Poultney Thermomix – Sammy Horsfield

Coaches Award sponsored by Newdegate Grocer and Café – Tahlia Dunkeld

Pictures taken by Melissa Cugley in during Round 2

Newdegate Winter Sports 2021

Netball— B Grade

Round 2—24th April *Boxwood def Newdegate*

With a couple of players out due to the Covid lockdown, we had to switch some positions around - well done to everyone for adapting to these last minute changes so well - you all played a real team-oriented game. A big thank you to A-graders Bek and Holly for helping us out on the court too, very much appreciated!

Despite going down 25-49, everyone put in 100% effort right to the end, and if we keep this work rate up I'm sure the results will follow.

Well done to Michelle Garlick for playing her first game with us, welcome to the team Michelle!

Best Player - Stevie Lynch backed-up her great game last week with another cracking performance this week! She played a strong game every quarter, applying pressure all the way down the court.

Coaches Award - Rachael McLean did a great job feeding into the circle and was always ready to support the shooters if needed.

Round 3—1st May *Newdegate def Lake Grace/ Pingrup*

The B-Grade girls had a cracker of a game on Saturday against Lake Grace. We all came out with a fighting spirit and didn't back down. All players played so well as a team, backing each other up all the way down the court. We got our first win 34-20 although it felt a lot closer on court, it was quite convincing in the end. Well done to the whole team.

The defenders Skye and Naomi deserve a special mention with their amazing team work and reading each other within the circle. They got numerous intercepts and rebounds throughout the game. Naomi earned herself the Coaches Award for her strength in defence and reading of the play well done Naomi.

Celeste played her first ever netball game on the weekend and you wouldn't have known it as she put in a fabulous effort in WD. She was with her player all game and was putting pressure on wherever she could. We are looking forward to seeing her grow over the season with such a great start. Also a big welcome back to Michelle Harris, we are all so glad to have you on our team. You bring such strength and determination but also a wealth of experience and an amazing positive attitude. We are so looking forward to the games ahead with you.

Best player award went to Liz for her strength and dominance in goals. She had a very strong opponent on her but she fought for every ball and couldn't miss a shot. Great strength and leadership all the way down the court Liz a best player award well deserved great job.

Newdegate Winter Sports 2021

Netball— Juniors

Round 2—24th April Newdegate 18 def Boxwood Hill 14

After a warm day of sports, the players turned up to netball looking more than a little exhausted and some a little sore. It is not an easy feat to play three sports on a warm day, especially with multiple players having key roles requiring massive amounts of running in most of them. To their credit, all players took to the court with a positive attitude and a determination to have another win.

Their hard work paid off, with Newdegate defeating Boxwood Hill 18-14 in a well fought game by both teams. We have been working on learning different positions and creating space down the court. Players are showing great versatility undergoing multiple position changes throughout the game and their ability to learn and adapt to their new roles.

Coaches Award this week went to Piper Hall for her great attacking skills in WA feeding the ball, and her shooting skills and fast thinking in GS (Sponsored by Di Poultney Thermomix).

Thank you to Naomi-Barrett Lennard for taking training this week. Well done to the entire team on a great match and their willingness to listen and learn. There's not much more a coach can ask for!

Till next game,

Robyn Orr

Round 3—1st May Lake Grace/Pingrup 29 def Newdegate 12

Our first game on outdoor courts against a strong side proved hard work for the team this week, with Lake Grace/Pingrup coming away with the

win. Their height and experience took us most of the first quarter to get our heads around, but with some position changes and good talk from our older players, we kept our heads high and managed to lessen the gap considerable in the rest of the game.

Coaches Award this week went to Hayley Richardson for her great work in defence, sticking well on her playing and picking off multiple balls by watching the play closely (Sponsored by Newdegate Spreading).

Thanks to the parents for supporting the players each game and again to Naomi-Barrett Lennard for taking training last week.

Till next game,

Robyn Orr

Newdegate Winter Sports 2021

Hockey

Round 2—24th April *Newdegate def Boxwood*

Another warm day for sport, Newdegate found momentum early and started to find the goals. By the end of the game, the 5 nil result did not reflect the fight the team had had to get the win. Boxwood maintained continual pressure, forcing our play to be on target and purposeful. Strong leads were often thwarted by being cut off by the opposition, our backs constantly having to use long hits to get through a strong Boxwood attacking line.

Our Newdegate forwards gained advantage long enough to score goals on those 5 occasions, but our backs then had to maintain their line to guide the play back out of defence.

We welcomed back another player returning to the team in Michelle Pryor, her efforts in fullback are commendable, we have an amazing line-up of players able to block passes, read the play and then get the ball out of defence every time it needs to happen. And, then to add some further history, we also welcomed back Mikaela (Knill) Spurr – it has been a while since she played in the maroon and gold and she fitted right in – thanks Mik.

While the day was warm for everyone, there were several players feeling the heat and time on field more than others– Covid issues in Perth meant that some players had to play two games of netball as well as front up on the hockey field; I think they are hoping never to do that again.

Goal Scorers - Kelly Barr 2, Sammy Horsfield 1, Rochelle Hams 1

Best on Ground - Kelly Barr (see next write up below)

Coaches award – Sarah Lloyd for her ability to read when gaps are created and lead into them, runs for those leads continually even when she finds the ball too out of reach with the power of hits coming from backline.

Round 3— 1st May *Newdegate def Lake Grace/Pingrup*

This weekend, we congratulate Kelly Barr on her 250th game for the club.

Weather forecasted during the week made us all think we would be looking for our winter woollies finally for a Saturday outing. But, it was a little warmer than the 19 degree forecast. I can report this time that a win of 4 nil occurred.

Some sensational running down field, passing with vision, and support for each other when one player gets tackled or beaten when tackling proved too much for the opposition this week. Lake Grace/Pingrup are definitely a strong team, but our key position players were able to drive with strength through their defence; we used short, sharp give-and-go passing to manoeuvre our way out of defence. We were able to push their attackers wide on several occasions, resulting in errors over the sideline or their passes going to our players instead of their own.

Our goalie – Vicki de Landgraft – tells me that her heart races when the ball comes down the field, but this game she didn't touch the ball, faced no penalty corners and was thrilled to be a part of the winning team. I'm not sure whether Vicki actually wants to touch the ball or not!!

This game, a new player to us – welcome Lucy Kelly. Lucy hasn't played hockey in several years, but her pace and willingness to attack the ball proved that she will quickly find a permanent position in our team. To top it off, Lucy scored one of our goals, well deserved for her efforts in her first game.

Another player that has filled in for the team over many years – Rocky Walker reminded us why she is an option to call on when needed. An ability to read the play, keep moving under pressure and guide other players is invaluable. Thanks for today's run Rocky.

Goal Scorers - Kelly Barr 2, Lucy Kelly 1, Tahlia Dunkeld 1

Newdegate Winter Sports 2021

Best on Ground – Kelly Barr for her leadership as a senior player on the field at both games was a highlight. Not only does she encourage and mentor new and old players, she creates passages of play and has the skill set and determination (sometimes frustration) that creates some fantastic hockey. Well done Kel on reaching 250 games. You are a credit to your club and our association.

Coaches award – Lucy Kelly for an addition to the team that has shown in her first game a willingness to cover ground, attack the ball and listen to feedback, acknowledging that some time away from the game has seen several changes in play that she has to adjust to. A goal scored in her first game for us makes the commitment worthwhile.

We have the bye next weekend, and then head to Jerramungup for another tussle; keep well everyone!!

NEXT GAME 15TH MAY - JERRAMUNGUP in JERRY AT 2:10PM

Hockey-Juniors

Round 2—24th April Newdegate Def Boxwood

After 2 games we are on top of the ladder! Congratulations team on a great win against Boxwood.

Well done to award winners Sorren (who gave his all and followed my instructions to a tee) and Billy (who put in a great effort in his first go at centre half back).

Big shout out also to Hayley, as well as Sorren and Billy, for scoring our 3 goals. Also a big thank you to all of our players for being so patient with all the position changes and time spent on the sidelines (5 subs means a lot of swapping)!

Thanks to Davina Hams for umpiring, and everyone who brought salads for tea – it was yum!

Newdegate Hockey Club would like to thank their sponsors for the 2021 season, we couldn't do it without you! Your support is greatly appreciated! Ali's Total Rural Services, Crown Business Development, Newdegate Grocer and Cafe, Ashton Shearing, Lakeside Minerals, Springfield Farms, DK's Ag Services, Nutrien Ag Solutions Newdegate, N&Y Harvey, Sandy Knill, Newdegate Machinery Field Day, J & J Offer, Naway Farms, The Robin's Nest.

Round 3—1st May Newdegate Def Lake Grace/Pingrup

Another great 3-0 win at Lake Grace, well done to all..

Congratulations to our goal scorers Jack, Ebony and Piper – it's great to see so many different players finding the goals, a reflection of the true team effort that is being put in each week!

Well done to award winners Esther and Elika, who both impressed me with their intensity and willingness to take on new challenges.

Thanks to Kelly Barr for umpiring.

Newdegate Winter Sports 2021

Football -Juniors

Round 3—1st May *Newdegate Def Lake Grace/Pingrup*

The Newdegate Football Club Lion Cubs kicked off May in the right way. In glorious conditions we travelled down the road to face Lake Grace-Pingrup.

The first quarter was tightly contested with Newdegate only managing 1 point, the second quarter even more so with neither team scoring. Newdegate managed to break the drought into the third and finished off the game with 2.10.22 to LG-P remaining scoreless.

As with the last few weeks the coaches have been impressed by the kids efforts and found picking award winners to once again be difficult. Not for the first time and hopefully not for the last time the coaches were heard to say ‘can’t we just give the awards to the whole team!’ But when pressed

this weeks award winners were;

Best Player: Billy Hams

Runner up Best: Tristan Harris

Fyfe Award: Ebony Westlake

Coaches Award: Grace Orr

Cracking effort Cubs, enjoy your break next weekend and be good to your Mum on Mother’s Day.

Newdegate Winter Sports 2021

Football –League

Round 3—1st May Lake Grace/Pingrup def Newdegate

Round three kicked off with a glorious day for football, with ideal conditions as the Newdy Lions headed up the road to meet the crosstown rivals.

Coming off the back of their first win for the season, the lions were set to improve on last week's performance and really head into the game firing to get their second win on the board.

Running out this week without star players in Nelson Kent (hamstring) and Chris Wollaston (getting married) the lions were confident they had the depth in the side to replace them and front up to a much younger lake grace.

The game started in fantastic Derby style with both teams hitting the ball hard and Newdegate strategy of shutting the game down early, working well.

Matthew Dykes making his mark on the game early with at least 75 touches in the first quarter, saw him break the game open for Newdy to win the first quarter.

Newdy maintained a strong second quarter with the strength of our complete backline holding their own, and Riley Bridger really letting his hair down, dominating with his clearances and run out of full back.

Third Quarter being a test of endurance to extend the brilliant first half efforts was tested, letting a few goals slip. However, Aaron Reliable was never going to be beaten piling on every opportunity that he could get his hands on, to keep the lions within the game and the confidence alive.

A solid final quarter with the game coming to a nail biter finish, and a 2 point deficit suddenly kept alive by Ian Lloyd taking a mark right on the siren. Distance was going to challenge him at 130m out. But Lloyd with grit, wound up with a torp that formed perfectly off the boot, however falling about 350 feet short of victory.

Better players on the day were Aarron “not so rusty” Russell, with 7 snaggers.

Mathew Dykes taking home the swine flu from too much pig skin,

and Michael Hams, for showing us all how to play footy at the age of 53.

Kim Newman with his dominant displays of “jack in the box” popping up when needed most,

And never beaten Riley Bridger, getting himself another pair of socks.

A disappointing result for the derby but a chance to regroup over the bye ready to unleash on Jerry in a fortnight.

Til then.

GRACE'S GARDENING TIPS

How to grow Dahlia plants...

Dahlias are relatively sturdy plants if grown in the right lighting, heat, and soil. Care of dahlia flowers may vary dependent upon your zone, but here are a few dahlia growing tips to help you get maximum blooms and healthy, bushy plants.

How to Grow a Dahlia Plant Dahlias are classified according to flower shape and petal arrangement. The plants are borne from tubers, which require well-drained soil and plenty of sunlight. Caring for dahlia plants starts at installation with cultivation of the soil and healthy tubers. Learning how to grow a dahlia plant will likely lead to a hobby, as the spectacular blooms are quite addictive and the presence of one or two will lead to plenty more in subsequent seasons. Select healthy tubers of a variety that does well in your zone. The outside of the tuber should be firm with no mold or rotten spots. Prepare the garden bed. These plants prefer well-drained, acidic loam but will grow relatively well in any soil as long as it isn't soggy. Dig down 8 to 12 inches (20.5 to 30.5 cm.) and add compost to increase the porosity and nutrient density since dahlias are big feeders. A good dahlia growing tip is to take this time to incorporate 2 pounds per 100 square feet (1 kg. per 9.5 sq. m.) of a 5-10-15 fertilizer. Small plants can be spaced 12 inches (30.5 cm.) apart, but the big dahlias need to be planted 3 feet (1 m.) apart to accommodate the large bushes. Lay the tuber sprout-side up 3 inches (7.5 cm.) deep in a trench and cover it over with the prepared soil.

Dahlia Care Dahlias need to be kept weed free. Use organic mulch around the plants to prevent weeds and conserve moisture.

Pinch back the terminal buds when the plant is 15 inches (38 cm.) tall to enforce good branching and structure and increase budding. Provide plenty of water to your plants. Water plants deeply once or twice per week. Big dahlias need a support structure to keep the heavy blooms from bending to the ground. Fertilize monthly with water soluble fertilizer or twice during the growing season use ½ cup (240 mL.) 5-10-10 scattered around the root zone of the plants. Good dahlia care also includes pest management. Caring for Dahlia Plants in Winter Dahlias are hardy to zone 8 and will survive if cut back and mulched heavily. Pull away the mulch in spring to allow new shoots to come up. In cooler zones, the tubers need to be stored indoors until spring. Dig at least a foot (30.5 cm.) away from the plant and lift the tuberous clump. Brush off excess dirt and lay them in a dry, but shady, location for a few days. Remove the remainder of the dirt and check the tubers for damage or disease. Pack healthy tubers upside down in a basket nestled in damp peat moss, vermiculite or perlite. Check tubers every month, and if they begin to shrivel, mist them with water. Remove any that get diseased. You can also dust the tubers with antifungal powder before storing. In the spring, replant the tubers and follow the above program of good care for dahlia flowers.

Help protect Malleefowl

Are you eligible for support to protect malleefowl on your property?

Wheatbelt NRM is currently working with landholders who have malleefowl habitat containing active malleefowl populations.

Some support is available for on-ground work including fencing, revegetation and feral animal control.

To find out more contact Kate Nicol on 9670 3111 or knicol@wheatbeltnrm.org.au.

Scan the QR code with your phone camera to let us know where you've seen black-cockatoos

Breeding Black-Cockatoos

Black-cockatoos have been breeding in the Wheatbelt over summer and some are still out and about.

Wheatbelt NRM can provide some support for on-ground activity to help protect them.

We want to know where they're foraging and roosting and we believe you can help us!

If you know of any of their favourite hangouts tell us through Survey123 by scanning the QR code above with your phone camera and help us protect their future.

We're also keen to know where they may have been nesting!

Contact Alex Griffiths on 9670 3102 or agriffiths@wheatbeltnrm.org.au if you'd like to find out more.

POLICE NEWS

LAKE GRACE POLICE STATION

56 STUBBS STREET, LAKE GRACE. 6353

Phone : 9890 2000 Fax : 9865 1429

Email: lake.Grace.Police.Station@police.wa.gov.au

Personnel: Sgt. Travis Taylor, SC Fiona Main

STATION NEWS

Fiona has returned from Wagin after spending the week assisting their staff who are currently down on numbers. We also have received a two-week reprieve before losing more staff to either Wagin again or Narrogin. Just waiting on what our district office decides.

CRIME

No new reported crime incidents for the last fortnight for our sub district, however we did stumble into a few drug offences when conducting enquires into other matters we were investigating in a different sub district to ours.

We were trying to locate an offender who could "assist us" with some enquires regarding another crime matter. This person is known as an "arrestable person" If that is the case and it was, police have the power to enter a place without warrant to look for that person if they reasonably suspected that person to be at that place.

Well we arrived at that place and observed the arrestable persons vehicle at that location and had further information that was were they were residing. The place was unopened so we walked in to check for our arrestable person to see if they were there. We didn't find them but we did find a pile of drugs and bongs on the kitchen table. So, they were seized and we left a receipt so the owner would know who to contact to discuss the matter.

As a result of continuing our enquires we later caught up with the owners of the drugs and also, our arrestable person. All enquires were able to be concluded with some having to see the magistrate next month.

TRAFFIC NEWS

The football was a great success for Lake Grace last weekend and as a result an enjoyable evening/night was had by those at the club. It was good to see the myriad of vehicles still parked up at the

club the following morning. It is an indication that the community is taking on the responsibility of choosing not to drink and drive. It was very pleasing to see and keep up the good work.

At about 9.30 pm, police intercepted a red Honda 650 road trail motorcycle (hand painted black) travelling at 156 kph in another police subdistrict. A short intercept ensued with the rider managing to park his motorcycle into a large tree after failing to take a turn onto a gravel road. Thankfully this parking manoeuvre was undertaken at a low speed and the front wheel had become wedged in a tree fork and couldn't be removed by the rider, but not for the lack of trying. Upon seeing the police arrive he gave up and walked away from the motorcycle. As a result, the rider was arrested after going roadside positive for meth and cannabis. Drugs were located in the rider's backpack and seized. The rider was suspended from driving having three court driving revocations at the time of riding and his motorcycle was unlicensed. His motorcycle was impounded. He too now has a date with the magistrate next month. The good news is there was no injuries to any person.

COVID UPDATE

As a result of a positive community transmission for covid in Perth we had the short lockdown over the Anzac long weekend. This also entailed the requirement for those in Perth to wear masks when out and about. It also required those who escaped Perth before the lockdown to wear masks back in their own communities until a certain date. Well as a result of further positive covid tests in Perth the requirement to wear masks has been extended (no end date as yet) This includes any person who has been to Perth in the last 14 days. You will still have to mask up whenever out and about. If any clarification is needed we have all the latest directives as they come in. Just give us a call. Have a wonderful fortnight.

- Lake Grace Police.

WE'RE HIRING!

The Newdegate CRC is an exciting and busy hub, providing services to the Newdegate Community and surrounding areas, and home to the newly established **Gate Collective** - an awesome, bespoke retail space.

The position of **Coordinator** has become available for 12 months (maternity leave) with a possibility of further employment following this period.

We are looking for an enthusiastic and motivated person with the following skills to join our focused team:

- Outstanding customer service
- Able to prioritise tasks and workload
- Enjoys networking and building community partnerships
- Technology literate
- Experience in Microsoft Office Suite

Remuneration will be negotiated based on skills, experience and qualifications.

Grain Brokers Australia Weekly Market Report

Canadian farmers are swinging to canola and barley at the expense of wheat, oats and pulses in the current winter/spring cropping cycle. That was the washup of the latest Statistics Canada principal field crop report, which was released early last week.

Statistics Canada said the total area seeded to field crops this year is projected to increase by 1.8 per cent to 26.893 million hectares based on favourable market conditions and historical trends. However, total production is forecast to decrease slightly, on the assumption of a return to trend yields from the record production of 2020-21.

This year's four week survey period concluded on March 29, with Statistics Canada tabulating responses from more than 11,500 farmers regarding their planting intentions for the 2021/22 production year. Winter wheat has been in the ground for many months now and is emerging from its winter dormancy. However, the spring planting program is about to move into top gear amid dry soil moisture conditions in many areas and grain prices on fire.

It has been widely reported over the last few months that the area planted to wheat was expected to be lower in the coming season than in the 2020/21 marketing year. And so it came to pass when the numbers were revealed, with the total wheat area forecast to fall by 6.9 per cent or 697,000 hectares, to 9.41 million hectares (Mha). This is the lowest wheat area in the last four seasons and comes in 3.7 per cent below the five-year average.

Spring wheat was the big mover, with the estimated area down by 8.8 per cent, or 642,000 hectares, to 6.61Mha. This is the smallest area planted to spring wheat in the last four years and is 4.7 per cent below the four-year average. The winter wheat area was down 11.2 per cent, but since it only makes up 5.2 per cent of total wheat plantings, it was an insignificant component of the decrease. The area planted to durum wheat was up slightly.

The results of the grower survey suggest everybody wants to grow barley. The area is projected to jump by 13.9 per cent, or 426,000 hectares, to 3.49 million hectares. This is the fourth consecutive annual increase, is 27 per cent above the five-year average and is the largest area seeded to barley since the 2009/2010 season.

Tight stocks have pushed domestic prices higher, making potential returns quite appealing for growers relative to spring planted alternatives. Strong demand from China has boosted export demand, and that is expected to continue throughout the 2021/22 marketing year after China nominated increased barley usage as a means of reducing the nation's reliance on corn. The Chinese tariff on Australian barley imports has also pushed demand to Canada.

Barley exports in the 2020/21 marketing year are expected to total 3.75 million metric tonne (MMT), and China dominates. According to the Canadian Grain Commission, 94.6 per cent of Canada's licensed barley exports in the August 2020 through March 2021 period were destined for China. The current forecast would be the highest executed barley exports since 3.9MMT was shipped in 2007/08 and 4.0MMT shipped in 1996/97.

The record low carry-in forecast of just 500,000 metric tonne nationally also reflects buoyant domestic stockfeed demand. Crop progress will be keenly scrutinised as the season progresses with a yield of 3.5 metric tonne per hectare (MT/ha) required before stocks start to build, assuming 91.8 per cent of the planted area is harvested, and there is no change to domestic demand or exports in 2021/22. The long-term average barley yield is 3.73MT/ha.

According to the Statistics Canada survey, canola planting intentions for the world's biggest canola producing nation came in at 8.71Mha. This is an increase of 3.6 per cent, or 300,000 hectares, over the area planted in 2020 and reverses a four year downward trend. However, it is still 0.9 per cent below the five-year average.

And there is now an added incentive for the Canadian farmer to maximise their canola area, with prices soaring to their highest level in more than a decade in the five weeks since the planting survey concluded. This is a function of dwindling old crop stockpiles as crushers and exporters fight to secure old crop stocks. The carry out is forecast to drop to 1.2MMT by the end of the 2020/21 crop year on July 31, the lowest end of season number since 2013.

Around 90 per cent of Canada's annual production is exported to global customers. Foremost among these importers is China who has accelerated imports of the Canadian produced oilseed despite blocking shipments from two of the country's major exporters since 2019. Government export data reveals around 1.58MMT of canola was exported to China from licenced facilities in the first seven months of the 2020/21 marketing year, 22.5 per cent of total exports for the period.

According to survey responses, the area planted to oats is expected to fall by 6 per cent year-on-year to 1.46Mha, still 7.8 per cent higher than the five-year average. The Lentil area is forecast to be

0.3 per cent lower than 2020 at 1.83Mha, around 3.1 per cent below the five-year average. The big mover on the pulse front was dry peas, with plantings anticipated to decrease by 9.8 per cent to 1.54Mha compared to a year earlier, the smallest area in three years and 6.7 per cent below the five-year average.

Significant precipitation is needed in south-eastern and south-central Saskatchewan, Northern Alberta, and Manitoba. Planting for most principal spring crops typically begins around mid-May. Still, many farmers in southern Alberta started in early April this year due to a lack of snow cover and above-average temperatures.

The dry conditions could prompt growers to make last-minute changes to their seeding plans, resulting in a reduction in plantings of small-seeded crops such as canola, with barley the potential beneficiary. The weather conditions over the next few months and the elevated price regime will no doubt influence the final seeded area.

Call your local Grain Brokers Australia representative on 1300 946 544 to discuss your grain marketing needs.

From the CEO

We say farewell to Suzan Lees who has taken on a new position at WA Local Government Association (WALGA) in Perth. Suzan has been a valued member of the team and we wish her all the best with her future endeavours.

Congratulations on the community groups who organized and held their ANZAC Services on 25 April. All towns held dawn services, and were well attended.

Planning is well underway for the Newdegate town centenary in 2022. Council staff recently met with Stephanie Clarke-Lloyd from Newdegate Historical Society/ Centenary Projects who outlined some of the projects that they had in mind and areas in which they may need shire assistance.

We were pleased to advise that we were already one step ahead of them in some areas in that some of the recently approved grant funds in the Local Roads and Community Infrastructure Program provided by the Federal government had been allocated to upgrading areas under consideration.

The second Budget meeting was held on Wednesday 28 April, we are well on track to finalising the 2021/2022 budget.

The hazard perception computer is now located at the Shire office. You can practice with the online simulators on the Department of Transport website to ensure you're confident before taking the HPT at the Shire office.

Ordinary Council Meeting April

Resolutions as follows:

- 4WDL Meeting 11 May 2021 - attendance include representatives from neighbouring Shires
- Councillors Training Session 13 May 2021 -will be held in the Shire Chambers with participating neighbouring Shires
- Planning approval for 22 and 24 Mason Street, Lake Grace with notable conditions
- Planning approval for No. 11 Dewar Street, with no notable conditions
- Lord Mayors Distress Relief Fund for the victims of Tropical Cyclone Seroja
- Bush Fire Advisory Committee recommendations to Council
- Shire of Lake Grace Strategic Resource Plan 2021-2036 - adopted by Council
- Newdegate Machinery Field Days 2021 – Sponsorship Agreement - adopted by Council

Ordinary Council Meeting

An Ordinary Council Meeting will be held on **Wednesday 26 May 2021** from 3:30pm at the Council Chambers, Administration Building. The Agenda will be available on www.lakegrace.wa.gov.au

Everyone Welcome

A minimum of 15 minutes is set aside for public question time, giving members of the public an opportunity to ask questions relating to Shire activities.

Community Infrastructure Service

Works have been in full swing on Old Ravensthorpe Rd with local contractors gravel re sheeting the first 10km, these works are expected to be ongoing until the end of May so please obey all traffic signs whilst these works are carried out.

Over the next few weeks we will see all the property numbers re painted on all the kerbs throughout all towns within the Shire so please keep an eye out for this.

Work is completed at the Varley Cemetery entry wall and it looks great, a massive thanks to all involved in making this project happen.

This fortnight our works crew have completed the below roadworks and maintenance;

Roadworks

The Lake Grace Maintenance Grader has carried out grading on:

- North Burngup Rd
- Walker Rd
- Dunham Rd
- West Kuender Rd
- Burns Rd
- Bidy Camm Rd

The Newdegate Maintenance Grader has carried out grading on:

- Buniche north Rd
- Roger Rd
- Holland's Track Rd
- Dykes Rd
- Old Ravensthorpe Rd

The Lake King and Varley Maintenance Grader has carried out grading on:

- Grader was out of action

Parks & Gardens

The Parks and Gardens Crew have carried out the following work:

Lake Grace

- Spraying weeds at Cemetery, air strip and around town site
- Pruning tree branches and tidy up
- Reinstating rural road signs
- Clean up blue metal footpath located at the Roadhouse – Waratah Ave
- Removal of termite infected tree on Stubbs St/ Carruthers St
- Mowing football and pavilion lawns

Newdegate

- Mow hockey and football ovals
- Spray oval for broad leaf
- Mow skate park and Pioneer park
- Prune plants at the gazebo and Maley St
- Change sprinklers out on football oval

Buildings

The Building Maintenance Crew have carried out the following work:

- Repave uneven footpath pavers on Stubbs Street
- Repairs to Newdegate pavilion benchtop
- Repairs to cistern at Railway Toilets
- Replace flyscreens at Varley pavilion
- Lake King public toilet maintenance
- Painting of town site signs
- Repairs to Lake Grace cemetery gazebo
- Repair water leak in RSL roof
- Lake King jumping pillow power issue repaired
- Range hood install at 54a Bennett St
- Reinstating South Rd dam pump
- Painting at Varley Chicken ranch toilets
- Lake Bidy dam solar pump installation

Community Emergency Service News

It's with some sadness that I let you all know that I have resigned as CESM from the Shires of Lake Grace and Kent to take up a role with the WA Local Government Association (WALGA) in Perth.

I have enjoyed my time in the Lake Grace community and I'd like to thank everyone for their support over the last 18 months, with a special thank you to Brad Watson and all the other bush fire brigade members.

In my new role as Senior Policy Advisor Emergency Management I will be working closely with local governments and other stakeholders to try to ensure that the West Australian emergency management framework and systems work effectively and fairly across all levels of government and help keep our communities safe.

Suzan Lees

Community Emergency Services Manager

The following persons have been appointed Fire Control Officers by the Shire of Lake Grace 2021/2022 bush fire season under s.38 of the Bush Fires Act 1954:

Shire of Lake Grace Fire Control Officers		
Lake Grace North	Mt Madden	Newdegate North
Brad Watson (CBFCO) Doug Dunham Evan Wyatt Glen Willcocks Leon Morgan Greg Carruthers Ross Chappell Liam Chesson	David Roberts Lindsay Brownley Anthony Teale Rory Vermeesch	Bill Lloyd Tim Lloyd Ian Lloyd Barry Ness Ron Shalders Craig Shalders Pete Walker Aaron Guelfi Dean Rintoul Gary Guelfi
Lake Grace South	Dunn Rock	Newdegate South
Kevin Naisbitt Scott Strevett	Rhys De Landgraft Bernie Giles Tyson De Landgraft	Matt Cugley Simon Cugley Geoff Richardson Syd Walker Wes Hall (Snr FCO) Peter Kennedy Stephen Davies
Lake King	Varley	
Jason Sugg (Snr FCO) Arthur Sugg Hugh Roberts (DCBFCO)	Jorge Brinkmann Ben Hyde Craig Newman John Zurnamer	
Lake Grace Town	Newdegate Town	Shire of Lake Grace
Reid Stubberfield	David Tonkin	Suzan Lees (CESM)

Dual Fire Control Officers	
Ravensthorpe	Anthony Teale David Roberts
Kondinin	Jorge Brinkmann
Kulin	Evan Wyatt Doug Dunham
Dumbleyung	Kevin Naisbitt Leon Morgan
Kent	Brad Watson Wes Hall
Esperance	Hugh Roberts

Fire Weather Officers
Fire Weather Officer: Brad Watson (Chief Bush Fire Control Officer)
Deputy Fire Weather Officer: Hugh Roberts (Deputy Chief Bush Fire Control Officer)

Community Information

Office Open Hours

Monday - Tuesday - Wednesday - Friday
8.30am - 4.30pm
Thursday 8.30am - 4.00pm
Staff can be contacted by phone between 8am - 5pm

Transport and Licensing

All licensing payments are to be made in person at the Shire of Lake Grace Administration office, 1 Bishop Street, Lake Grace.

Monday, Tuesday & Wednesday 8.30am - 4.15pm
Thursday and Friday 8.30am - 4.00pm

As an agency, we process the majority of transactions including: renewals, transfers, number plate orders, boat registration renewals and new licence applications. With every transaction we perform, we try to offer the best service possible.

We do ask all licensing customers to be considerate, even though we are aware of people being 'locals' it does not exempt us from following the rules set by the Department of Transport.

Driving Assessor

The Practical Driving Assessor (PDA) will be at the Shire of Lake Grace Office on:

Friday - 4 June 2021

Friday - 2 July - to be confirmed

Bookings are essential for all Practical Driver's Licence Assessments and we advise booking in advance as there is often a waiting list.

All bookings to be made at the Shire office on 9890 2500 until further notice.

Lake Grace has one assessment day each month held on the first Friday of the month.

For more information go to: www.transport.wa.gov.au.

Libraries

Lake Grace Public Library School Place Absolon St
Monday - Friday 9am - 5pm
Closed for lunch 12.30 - 1pm

Newdegate Public Library Collier St
Monday - Thursday 8.30am - 4.30pm
Closed for lunch 12noon - 1pm
Friday 9am - 2pm

Lake King Library Newdegate/Ravensthorpe Rd
Tuesday and Thursday 8.30am - 3.30pm

Town Planner

Planning Officer, David Johnston and Building Surveyor, Gary Bruhn can be contacted through the Shire Office on 9890 2500 or email shire@lakegrace.wa.gov.au.

Environmental Health

The Shire's Environmental Health Officer, Brendon Gerrard. Can be contacted via the Shire on 9890 2500 or email shire@lakegrace.wa.gov.au.

Tip Times

Lake Grace

Monday & Wednesday 9am - 2pm
Saturday & Sunday 9am - 4pm

Newdegate

Saturday 9am - 1pm

Lake King and Varley

Open every day

Recycling Services

Household Waste Collection is a weekly service and collected each Tuesday for Lake Grace, Newdegate, Lake King & Varley.

Recycling is a fortnightly service and alternates between Lake Grace and Newdegate. See below for the upcoming recycling collection dates.

Lake Grace	Newdegate
Tuesday 11 May	Tuesday 18 May
Tuesday 25 May	Tuesday 8 June

Please Note: There is no kerbside recycling collection service in Lake King or Varley.

The recycling bins are collected by Warren Blackwood Waste and transported to a recycling facility. If items which are not recyclable are found the content can't be recycled and the load will be directed to the landfill.

If an item is covered in food, it is not recyclable. Food is one of the worst contaminators in the recycling process. By using the yellow top recycling bin correctly you are contributing, in a combined community effort, to reduce the amount of rubbish that is directed to landfill facilities each year.

For more information on Waste Management visit the

 Check out www.facebook.com/shireoflakegrace

 Check out our website www.lakegrace.wa.gov.au

MEDIA RELEASE

Animal Welfare in Emergencies Survey

The Shire of Lake Grace is conducting research for a Plan for Animal Welfare in Emergencies and would like to hear from animal owners. This survey will assist the Shire to develop the Plan which aims to better prepare the community to provide for the welfare of their pets and livestock during and after major emergencies such as flood or bushfire.

The survey will gather information about livestock numbers and locations. It will also identify resources in the community that could help during such an emergency.

The survey should only take 10 minutes, and your responses are confidential. To complete the survey please go to: [To complete the survey please go to: https://s.surveypal.com/5shbslyHP](https://s.surveypal.com/5shbslyHP)

If you have any questions about the survey, please email us: cesm@lakegrace.wa.gov.au. We really appreciate your input. Survey closes Friday 14 May 2021.

Make the most from your fertilizer investment

As your local Area Manager, Mark Stephens is keen to assist you with all of your fertilizer decisions this season.

So whether it's soil testing, nutritional advice, fuel gauges, or simply an on-farm appointment to discuss your requirements, give Mark a call today.

Recipe— Melting moment

- 250 gram butter, softened
- 1 teaspoon vanilla essence
- 1/2 cup (80g) icing sugar mixture
- 1 1/2 cup (225g) plain flour
- 1/2 cup (75g) cornflour
- 1 tablespoon icing sugar mixture, extra
- 80 gram butter
- 2/3 cup (110g) icing sugar mixture
- 1 teaspoon grated lemon rind
- 1 teaspoon lemon juice

METHOD

1. Preheat oven to 160°C.
2. Beat butter, essence and sifted icing sugar in small bowl with electric mixer until light and fluffy.
3. Stir in combined sifted flours in two batches. With lightly floured hands, roll 2-level-teaspoon portions of mixture into balls and place about 3cm apart on baking-paper-lined oven trays. Flatten slightly with a floured fork.
4. Bake about 15 minutes or until biscuits are a pale-straw colour. Stand 5 minutes before lifting onto wire racks to cool.
5. For butter cream, beat butter, sifted icing sugar and rind in small bowl with electric mixer until pale and fluffy. Beat in juice.
6. Sandwich two biscuits together with a teaspoon of butter cream to serve. Dust with sifted extra icing sugar.

Puzzle Page

ACROSS

- 1) Rearward, on the briny
- 6) Steep, rugged rock
- 11) Faux ____
- 14) Puts in a hold
- 15) Asian capital
- 16) In a ____ (dull routine)
